EXPERIENCE

Each 1 Teach 1, Virtual— *Technology Paid Intern*

Jul 2020 – Aug 2020

Though the online program that teaches interns professional skills, specific to the tech industry, I created a professional web page to showcase my work that included:

- A portfolio website I built from scratch using HTML and CSS
- A Spelling flashcard app using Flutter
- Illustrating and converting online data into appealing graphs
- My volunteer work at Tech Goes Home, a nonprofit that provides acceptable digital devices

EDUCATION

Lick Wilmerding High School, San Francisco CA — *High School*

French Honors, San Francisco CA — *High School*

PROJECTS

Safe Bites, App — *Co Founder*

Jul 2020 – Present

Safe Bites is a review app that allows users to discover and support restaurants that best follow COVID safety regulations.

- Part of a five-person team who created the app from scratch
- Developed the Safe Bites website

Hello Maker, Website — *Founder*

Jul 2020 – Present

Developed a website to encourage kids in maker related challenges and content
